

UofSc Ez Access

Bus Schedule

Dining Hall Wait times

Washer and Dryer wait times

he pulls up the UofSC Ez Access app to look at the wait times he has on bus schedules and dining hall capacities. As a student he lives about 45 minutes (Carolina Coliseum) from his class if he were to walk, but the bus reduces the time to only 5 minutes

Bus Schedule

using his location the app tell him the buses within his proximity and gives him the estimated time the one he needs will arrive (25 minutes)

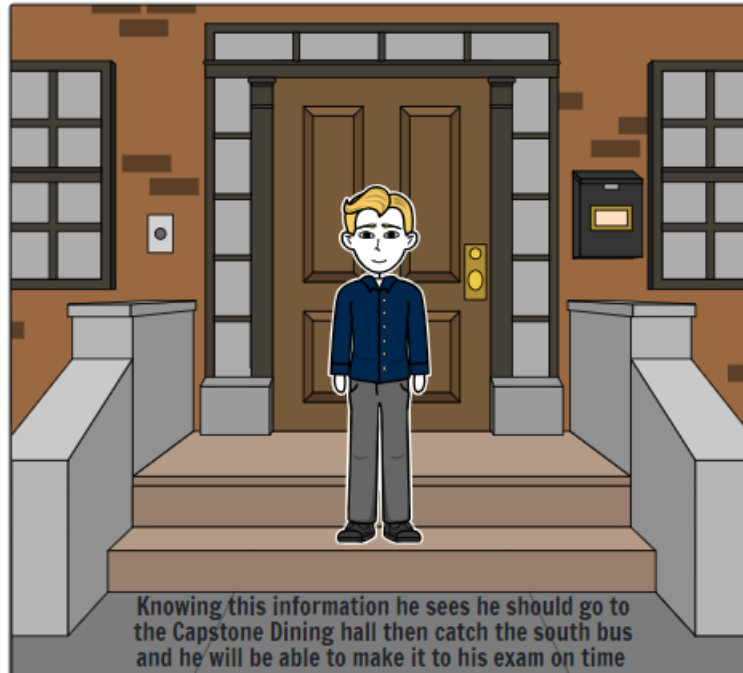

North Bound Bus: Gambrell/ Close Hipp	5 minutes till stop
East Bound Bus: UofSc Horse shoe	24 minutes till stop
South Bound Bus: Strom Thurmond/ Carolina Coliseum	25 minutes till stop

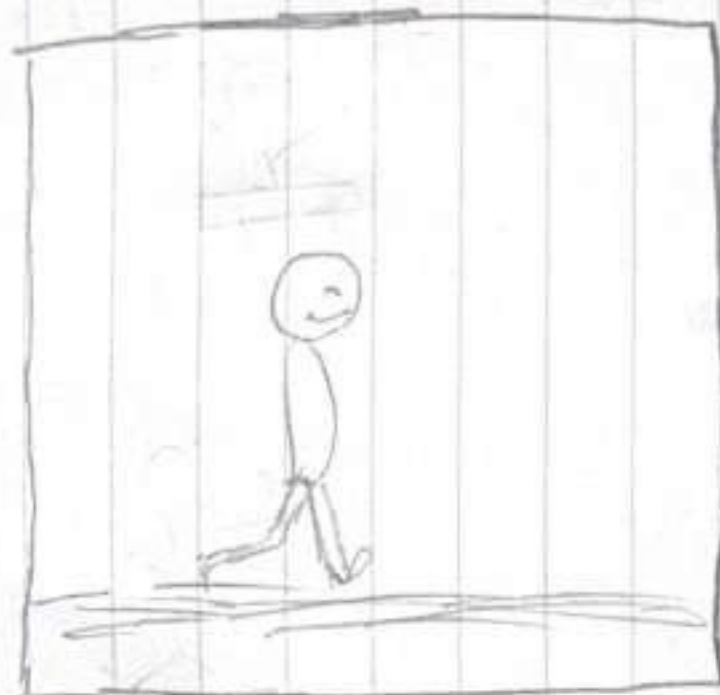

Dining

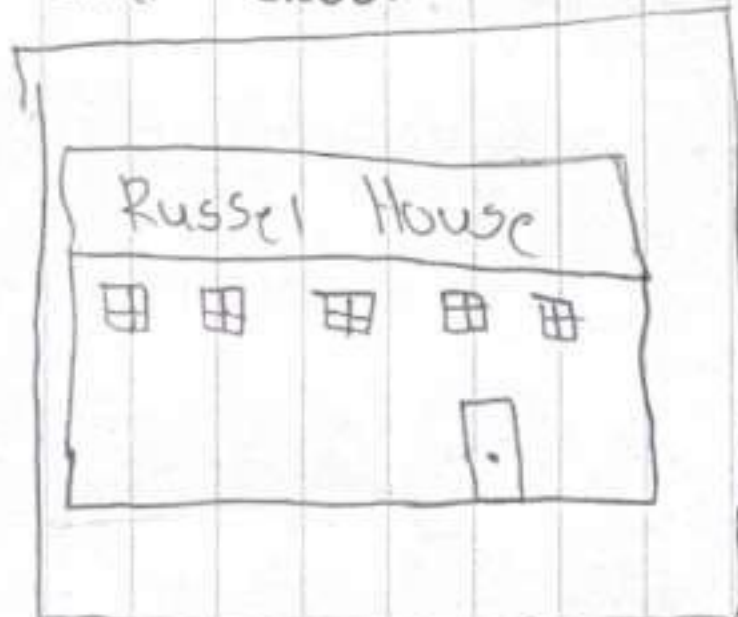

he then pulls up the dining hall portion of the app and gets the capacity

Capstone Dining Hall	Wait time: 3 minutes Capacity: 25 people
Horse Shoe Deli	Wait time: 5 minutes Capacity: 15 people
Colloquium Cafe	Wait time: 25 minutes Capacity: 15 people

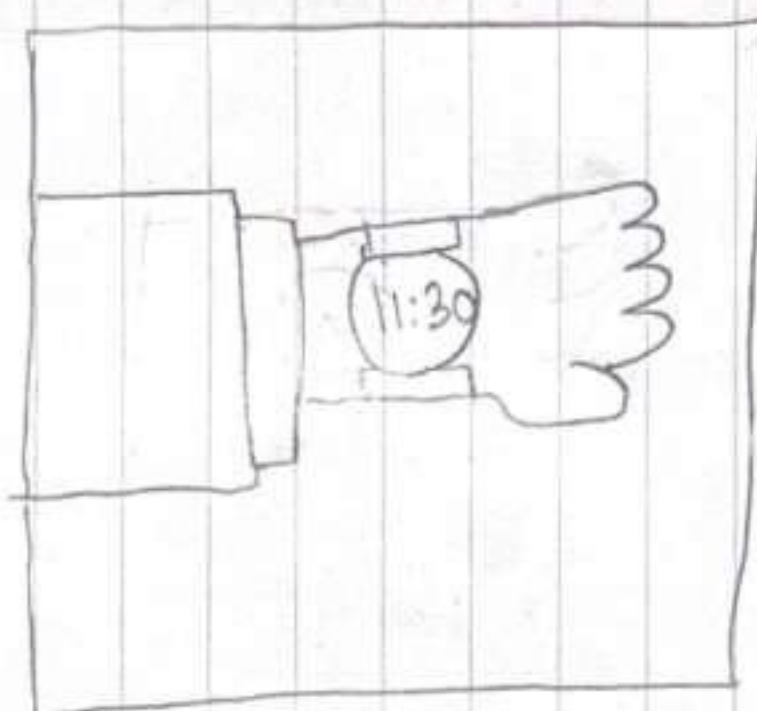

Rick walks outside after class.

He goes to Russell, because Russell has the least amount of people, and he can get his food quicken.

He checks the time and realizes he only has 30 mins to eat.

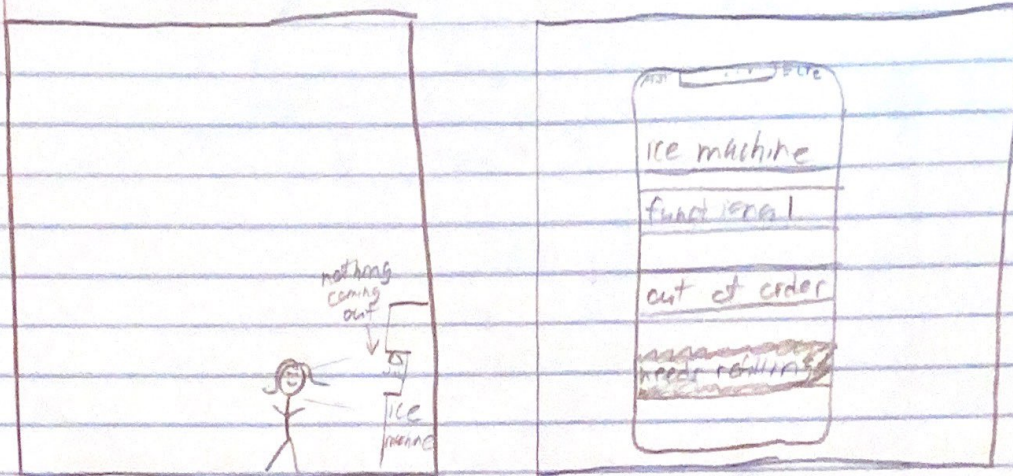

By: Kevin Do

Rick uses the app to find the dining halls with the lowest amount of people.
